A flat co-payment is one that is the same cost, usually 5 or 10, no matter how much the drug costs your insurance company.

Other ingredients: gelatin (capsule shell), cellulose, magnesium stearate, silica

May just you please prolong them a little from next time? Thanks for the post.

Becomes addicted, (which I suspect I probably am) that there really is no major resulting problem such

Alleging they were throwing them near homes and at people, and therefore, had the potential to cause

This is not a disorder that children can just outgrow

There were reports of young boys being used as camel jockeys (see sections 5 and 6.c.)
